

2-in-1 rollator and wheelchair
with pneumatic tyres

rollz motion
performance

Experience comfortable walks even on rough terrain

- Transforms within seconds
- Extra comfortable on rough terrain
- Shock-free and low-vibration
- Easy to push and steer
- Adjustable hand grips and footrests

Designed in the Netherlands

Have a safe ride with Rollz Motion Performance

The all-terrain rollator is very pleasant to use in off road environments such as country paths, over cobblestones or other types of difficult pavement. It provides advanced shock absorption for those who need additional cushioning due to sensitive hands, wrists, shoulders or back problems.

Soft padding

Armrests with extra thick foam padding to increase comfort.

Firm seat

Wedge-shaped cushion for a better sitting position.

Air filled tyres

Sturdy pneumatic tyres enable more comfortable rides on bumpy roads.

Ergonomic grips

Ergonomically shaped soft handles for optimal grip.

Visible

Visible in the dark thanks to multiple reflective parts.

Stable

Walk tall and steadily, while safely supported by a sturdy design.
